2. **Employer**: Please select which company the individual is employed with.
3. **Bill To**: Please select who the Bill should go to. If you contribute into a drug testing fund, you will have the option to select the appropriate fund and bill that fund directly. If you believe you participate into a fund, but do not see the fund option displayed, please contact your fund administrator for verification and then contact the MUST Office. After verification by your fund, the MUST office will display this billing option on your account. (Please Note: Fund administrators will be charging a \$30.00 re-invoicing fee for any tests incorrectly charged to a drug testing fund)
4. **Reason for Testing**: If you select Random, Reasonable Suspicion/Cause, or Post Accident, an alcohol test is required and there will be an additional charge implemented.

- Please review the drug test authorization to ensure accuracy. Click “Authorize Test” if all information is correct.

Reminder: The authorization form will now replace your chain of custody (COC) forms.

Helpful Printing Tips:

You have the option to print, email or fax this form directly to an individual to print. If you experience any printing difficulties or need to reprint a form, go to the menu page and click on the option “Drug Test Authorizations and Billing”. You will be able to print the same form again. You can also view all your open authorizations as well as any drug tests that have been completed.
