M.U.S.T. Safety Awareness Training Program
Reciprocal Credit Guidelines
OSHA Outreach Program

Reciprocal credit will be granted for training conducted under the OSHA Outreach Training Program Guidelines (Including MIOSHA Programs) that has been conducted within the previous four (4) years and was trainer lead. Credit will be granted topic per topic for the M.U.S.T. Safety Awareness Training Program Courses and posted on the M.U.S.T. Safety Awareness Training Program Report Card. The expiration date will be four (4) years from the date training was completed. OSHA 10 & 30 Hour courses will be posted similar to the First Aid/CPR/AED postings.

The following information/finances need to be forwarded to the M.U.S.T. Office for documentation and posting of the OSHA 10 & 30 Hour Training Programs, The Northwest Ohio (NWO) 16 Hour Program and /or reciprocal credit for similar topics included in the M.U.S.T. Safety Awareness Training Program.

Requirements for the OSHA 10 & 30 Hour Training Programs:

For documentation and posting of OSHA 10 & 30 Hour Training Programs only, the following information/finances need to be forwarded to the M.U.S.T Office:

1. Copy of the completed “Request for Outreach Training Cards” form, as submitted to OSHA by the implementing OSHA certified Outreach Trainer.
2. List of student names with their respective M.U.S.T. database identification number.
3. Two Dollars ($2.00) posting fee per entry.

Example: Company/Organization submits information for documentation/posting of the OSHA 30 Hour Training Program for twenty (20) students.

20 Entries x $2.00 per Posting = $40.00 Posting Fee

Upon receipt of this information/finances the appropriate posting will be input in the M.U.S.T. database.
Requirements for the OSHA 10 & 30 Hour Training Programs and reciprocal credit for M.U.S.T. Safety Awareness Training Program Topics:
